

WELCOME!

I'm so glad you're here!

Hi there! My name is Aly, but my favorite people call me Mrs. Franklin! I am a middle school resource room teacher in Michigan. I spend my time teaching special education math intervention classes, cotaught math intervention classes, and coteaching 6th, 7th, and 8th grade math classes!

My goal with creating Middle School in the Mitten was to share engaging and time saving resources and ideas with busy, world changing teachers like you! All of the activities that are found in my Teachers Pay Teachers store were created for and used with my own students. In fact, I began my TPT journey in 2017, when I shared my first few sets of digital task cards that I was creating for my caseload students!

Thank you for your download and support! I created this calendar to use in my own classroom – I could never remember to change the date on the board! I've used this exact template in my classroom for the last 5 years, and it's been so helpful for me! I hope you love it!

If you have any questions, please feel free to send me an email at middleschoolinthemitten@gmail.com, and I will try my best to help!

- Aly

BILINGUAL CLASSROOM FLIP CALENDAR

what's included

Thanks so much for your purchase! I'm confident that you'll use this flip calendar year after year! Simply print, prep, and hang! The calendar pieces include months, days, dates, and years in 2 different language options. Each piece includes a perfectly spaced guide mark to help you line up your hole puncher. I've also included directions for how to print pages of the PDF at a poster size in case you'd like them to be even larger!

Included in this resource:

- How to Print PDFs as Posters
- Directions for Prep & Suggestions for Use
- Months in English and Spanish
- Days of the Week in English and Spanish
- "Today is" and "Hoy es" signs
- Date Numbers 1- 31
- Years 2024 - 2052
- Suggestions for other resources you'll love!
- Terms of Use for Middle School in the Mitten Resources

BILINGUAL CLASSROOM FLIP CALENDAR

How I use it in my classroom!

I created this flip calendar for my own classroom and have used it for years! Beforehand, I never remembered to change the date on my whiteboard, so this has been a game changer for me.

How to Prep:

- Print the applicable pages on white or colored cardstock – I used shades of blue to match my calm classroom theme! The months, days, and dates are organized on different pages so successive months, days, and dates are separated in case you want subsequent words to be different colors!
- Cut out and laminate the calendar pieces – or laminate and then cut, I know teachers are opinionated on the correct order!
- Use a hole puncher to punch a hole on each guide mark, then thread a keyring through each stack.
- Hang up! I have mine hanging in my classroom on a magnetic curtain rod using large keyrings – both from Amazon!

Other Uses:

- Use the numbers for classroom countdowns
- Use the numbers for labeling with student numbers!
- Use the numbers for your "help desk" to manage students who are waiting. They can take a number, and you can say or display the classic "now helping number..."
