

# WELCOME!

I'm so glad you're here!

Hi there! My name is Aly, but my favorite people call me Mrs. Franklin! I am a middle school resource room teacher in Michigan. I spend my time teaching special education math intervention classes, cotaught math intervention classes, and coteaching 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade math classes!

My goal with creating Middle School in the Mitten was to share engaging and time saving resources and ideas with busy, world changing teachers like you! All of the activities that are found in my Teachers Pay Teachers store were created for and used with my own students. In fact, I began my TPT journey in 2017, when I shared my first few sets of digital task cards that I was creating for my caseload students!

Thank you for your download and support! I created this accommodation tracker for my own personal use to track the supports for my own caseload students. It's easy to set up and even easier to use – perfect for a busy teacher!

If you have any questions, please feel free to send me an email at [middleschoolinthemitten@gmail.com](mailto:middleschoolinthemitten@gmail.com), and I will try my best to help!

# STUDENT ACCOMMODATION TRACKER

how I use it in my classroom!

I put together this student accommodation tracker for my own caseload and I'm so excited to share it with you! Here's how I use it in my classroom:

- Each year, I create a tab for each of my caseload students. I copy and paste accommodations from each of their IEPs.
- If there are other students I service, I also include tabs for them, but color code the tabs so I know which caseload they are on.
- Throughout the day, as I implement student accommodations, I simply list the assignment and check them off on the tracker!
- If a student declines an accommodation, I record that in the Notes section.
- I use this data to inform future IEPs, behavior plans, and to guide conversations when parents have concerns!
