

WELCOME!

I'm so glad you're here!

Hi there! My name is Aly, but my favorite people call me Ms. Franklin! I am a middle school resource room teacher in Michigan. I spend my time teaching special education math intervention classes, cotaught math intervention classes, and coteaching 6th, 7th, and 8th grade math classes!

My goal with creating Middle School in the Mitten was to share engaging and time saving resources and ideas with busy, world changing teachers like you! All of the activities that are found in my Teachers Pay Teachers store were created for and used with my own students. In fact, I began my TPT journey in 2017, when I shared my first few sets of digital task cards that I was creating for my caseload students!

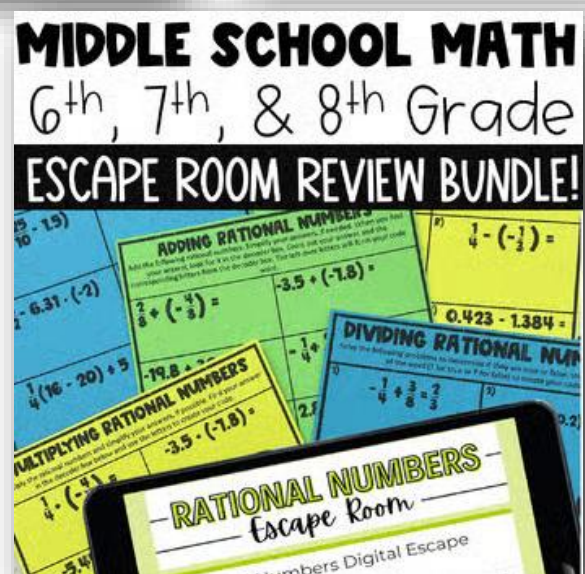

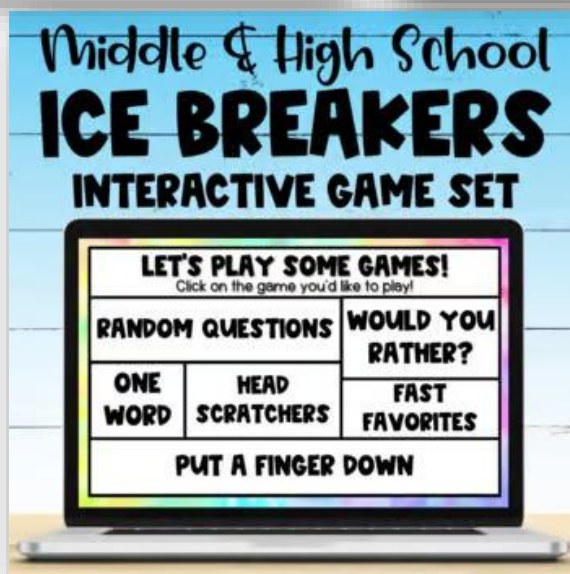

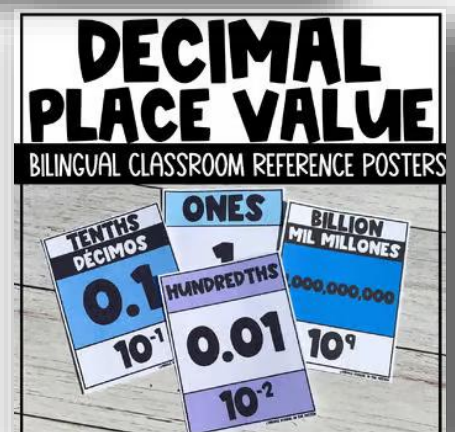

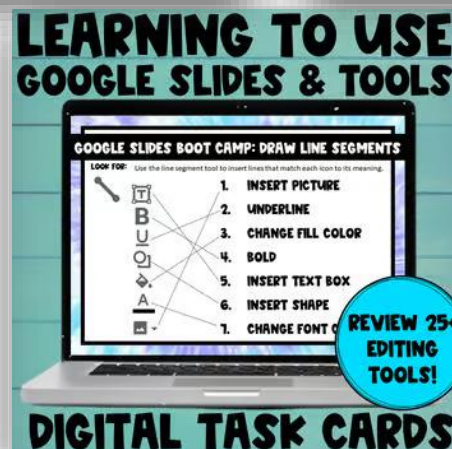

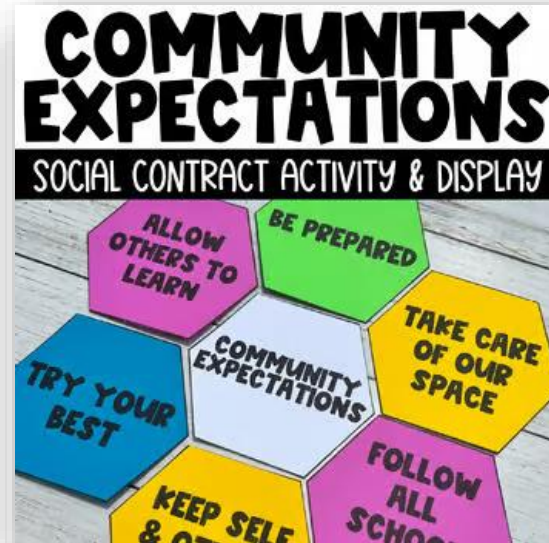

I created these free prize passes for my own middle school students! They love earning and using the prizes, and I love saving my money! Most of the prizes have benefits for the students and for me, so they are a win-win-win!

If you have any questions, please feel free to send me an email at middleschoolinthemitten@gmail.com, and I will try my best to help!

- Aly

FREE PRIZE PASSES

what's included

Thanks so much for your download! All of the activities that are found in my Teachers Pay Teachers store were created for and used with my own students. I created these free prize passes for my own students, and use them daily in my classroom! I made sure to share the editable version on Google Slides so you can tweak the wording, add stipulations, or add new passes as you see fit!

To use the passes, I like to print them on colorful cardstock, cut them apart, and keep them in a bag. When students earn a prize, I shake up the bag and they draw a prize pass at random. My students keep their passes in their computer cases or binders, but I encourage them to write their names on them in case they drop them. My students have really loved them, and I love that they are free!

Included in this free resource:

- 7 Pages of Ready to Print Prize Passes
- Google Slides link to 7 editable prize passes
